No. 970

Introduced by Assembly Member Block

February 26, 2009

An act ~~relating to youthful offenders~~ to add Section 51204.7 to the Education Code, relating to public schools.

LEGISLATIVE COUNSEL'S DIGEST

AB 970, as amended, Block. ~~Youthful offenders. Curriculum and instructional materials: Native Americans.~~

Existing law requires that, when adopting instructional materials for use in the schools, governing boards shall include only instructional materials that, in their determination, accurately portray the cultural and racial diversity of our society, including the role and contributions of Native Americans to the total development of California and the United States. Existing law also requires that instruction in social sciences include the early history of California and a study of the role and contributions of American Indians to the economic, political, and social development of California and the United States of America, with particular emphasis on portraying the role of these groups in contemporary society.

This bill would encourage the State Board of Education and the Curriculum Development and Supplemental Materials Commission to ensure that the history-social science framework, evaluation criteria, and instructional materials include information about American Indians. The bill would encourage instruction about American Indians, emphasizing California Native Americans, including their tribal and sovereign governments and their relationship with the California state

government. The bill would require the state board, within one year following the conclusion of the first adoption cycle for history-social science instructional materials that occurs on or after January 1, 2010, to report to the Legislature and the Governor regarding the progress of achieving the goals set forth by the bill.

~~Existing law establishes various programs that directly provide, or allocate funding to the counties for the purpose of providing, rehabilitative, educational, and supervision services to youthful offenders.~~

~~This bill would express the intent of the Legislature to enact legislation establishing the Youth Improvement District program.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
